

3rd NATIONAL CONFERENCE ON HIERARCHICALLY STRUCTURED MATERIALS

25th and 26th February 2015

SRM UNIVERSITY

RAMAPURAM, CHENNAI – 600089

NCHSM 2015 focuses on dissemination of information about the recent advances and fundamentals in advanced materials. It provides a platform for knowledge sharing among the students, researchers and academicians across the nation in the field of applied sciences. The conference will explore the state-of-the-art micro and nanoscale structuring methodologies which leads to fabrication of multifunctional devices and involves plenary and invited talks by experts, oral and poster presentations by young researchers.

Thrust Areas

Nanomaterials and Biomaterials	Crystal Growth and Characterization
Metallic and Inter-metallic materials	Ceramics, Polymeric & Composites materials
Electronic and Optoelectronic materials	Smart materials and Sensors
Magnetic and Semiconductor materials	Materials Characterization
Electronic structure of materials	Computational Modeling
Thin films and applications	Ionic and Catalytic materials
Ion beam irradiation on matters	Structure of Organic and Inorganic materials

Important Dates

Submission of Abstract	23.01.2015
Communication of Acceptance	30.01.2015
Last date for registration and Submission of Full paper	06.02.2015
