

Senegalese Crystallography Association

Siège social : UFR des Sciences et Technologies – Université Assane Seck
Assane Seck de Ziguinchor BP. 523 Ziguinchor, Sénégal.
Tél: (+221) 775602300 - 76 637 87 65 ; Email: ascseNEGAL@gmail.com

« O CRISTAL » Day program

8h-8h30	Welcoming authorities and participants
8h30-9h30	Opening ceremony . Welcome note from the ASC President . FST Head Speech . French Embassy representative Speech . Rector, President of the Academic Council of the University Speech . Minister of Higher Education for Research and Innovation Speech
9h30-10h30	Inaugural Conference "Cristallographie en Afrique Sub-Saharienne : Apport du projet AFRAMED" (Crystallography in Sub-Saharan Africa: Contribution of AFRAMED project) Emeritus Prof. Claude Lecomte CRM2- Nancy Moderator : Prof Oumar KA honorary President of ASC
10h30-11h00	Coffee break
11h00-11h25	Communication Pr Ibrahima Elhadji THIAM (UCAD), Dr Emmanuel WENGER, Pr Magatte Camara "Supporting Training and Research through Distance Measurement (AFRAMED): from training to application RemoteLab" UCAD
	Laboratory Presentation
11h30-11h45	Chemistry and Physics of Materials Laboratory LCPM (UASZ)
11h45-12h00	Organic Coordination Chemistry and Biomolecules Laboratory LCCOB (FST-UCAD)
12h00-12h15	Electronics, Engineering, Telecommunications and Renewable Energies Laboratory LEITER (UGB)
12h15-12h30	Physical, Inorganic, Organic and Therapeutic Chemistry Laboratory, LCPMOT (FMPO-UCAD)
12h30-14h30	Lunch break
	Laboratory Presentation continued
14h30-14h45	Inorganic and Organic Materials Chemistry Team ECMIO (UADB)
14h45-15h00	Inorganic and Analytical Chemistry Laboratory LACHIMIA (UCAD)
15h00-15h15	Quantum Photonics, Energy and NanoFabrication Laboratory LPQEN (UCAD)
15h15-15h30	X-ray Utilization Laboratory LUX (FST-UCAD)
15h30-16h00	Coffee break
16h00-17h00	Closing ceremony certificates participation given
