

Definition of an Active Member of the IUCr Commission on XAFS (CXAFS)

An individual shall be considered an *active member* of the IUCr Commission on XAFS (CXAFS) if they satisfy two or more of the following criteria:

1. Participation in Commission Meetings

Attends a **minimum of 50%** of the meetings convened by the Chair of the Commission.

2. Engagement in Commission Activities

Makes substantive contributions to the scientific or organizational work of the Commission. An example is the work done towards supporting the organisation of IUCr Congress sessions and XAFS-related workshops, by proposing candidates for keynote and invited speakers, recommending topics for microsymbosia (MS), etc.

3. Fulfilment of Assigned Portfolio Responsibilities

Effectively executes the duties and responsibilities associated with any portfolio or role assigned within the Commission.
